LOBSTER CROCHET BLANKET PATTERN

Materials

- Aran wool (picture shows Style craft shade 'Aster') and a background colour of your choice
- Size 5mm crochet hook

Note that using aran wool will produce a single-bed sized blanket. For a smaller blanket, double knit wool can be used.

Instructions

This blanket is a C2C, starting in one corner you will work diagonally in rows, increasing at each end of the initial rows, before maintaining straight edges and then decreasing towards the final corner.

For details of how to start a C2C blanket and increasing/decreasing along the way, there are many good instructional videos on YouTube:

Follow the chart on page 3, passing wool over where possible and ensuring that all passings take place on the same side (this will become the back of the blanket)

After completing the blanket, weave in all the ends.
