

BECOME A CRUSTACEAN COMPASSION

ROCKPOOL RANGER

PEEK, DON'T POKE:

Enjoy watching sea creatures where they live. No need to pick them up.

BE KIND TO CRABS AND ROCKPOOL ANIMALS:

Crabs, starfish, and other animals can be hurt or stressed when handled.

USE YOUR UNDERWATER TELESCOPE:

Discover the underwater world without disturbing it - just look and learn!

LEAVE THE ROCKPOOLS AS YOU FOUND THEM:

Gently return any moved rocks, and take all your belongings and litter home.

KINDNESS MAKES YOU A TRUE EXPLORER:

The best explorers protect what they discover - observe with care and curiosity.
